6. Designated Housing for Elderly and Disabled:

The YHA continues to strive toward the submission of an application to HUD for Elderly Only Designation at Broad Park Manor (201 of 281 units), Springfield Apartments (50 of 75 units), Stony Brook Manor (69 of 100 units) and The Fairmont (52 of 75 units). The plan remains the same as it was stated in last year’s plan; however, the date of proposed submission of the application is postponed to 9/30/09. The living conditions/circumstances support the change; however, the need for housing elderly is not supported by the current wait lists. The YHA is working to acquire additional applications from elderly residents and document need for elderly public housing.

7. Community Service and Self-Sufficiency:

The plan is unchanged from last year, with the following exceptions:

Services and Programs: FY’04 ROSS RSDM Family Grant – increase estimated size from 120 adults and youth to 144 adults and 30 youth; FY’05 ROSS Neighborhood Network Grant – increase estimated size from 110 to 200 adults and children; Service Coordinator and Wellness Center – increase estimated size to 153 elderly and younger disabled; and FY’05 and ’06 ROSS Neighborhood Networks Grant – reduce the estimated size from 225 to 185 adults and children. The Authority will evaluate various social service tools available for the residents we serve and, through partnerships/collaborations, work toward the provision of such services to improve the quality of their lives.

Family Self-Sufficiency (FSS) Participation: Of the 25 “voluntary” FSS “slots”, 17 are under contract with public housing participants, down from 23 last year at this time; Of the 40 “mandatory and voluntary” slots under the Section 8 Program, 39 are under contract. 15 of the original 52 mandatory slots remain, compared to 19 last year at this time.

The Community Service requirements continue to be administered under the Public Housing Program.

8. Safety and Crime Prevention:

The YHA plans to work with other owners/managers of City property and apply for City CDBG/HOME funds to 1. Increase and improve police/security surveillance at crucial areas in the City through the use of cameras; and 2. Create employment opportunities – hiring individuals to view/monitor the video screens and report appropriately.

There have been no changes to the pet policy. However, we will amend the policy to comply with recent regulations defining exceptions to the policy.
